Mad Hatter's Special Edition

ROSANGELA ZURAWEL

It's with great excitement that we launch the very first edition of *The Dallas Fashion Report* - and what better way to kick off this new chapter than with a **Mad Hatter's special** issue! Welcome to a front-row seat at one of the most vibrant, fashionable events of the year. Springtime in Dallas wouldn't be complete without one of the city's most anticipated and fashionable traditions - *Mad Hatter's Luncheon*, that benefits the Women's Council of the Dallas Arboretum. This year's theme was *Celebrating Spring in the South*. It was a dazzling celebration of creativity, couture, and community spirit, as Dallas' most stylish gathered in an extraordinary display of bold hats, high fashion, and heartfelt philanthropy. A true feast for the eyes, *Mad Hatter's* once again proved that when it comes to style and giving back, Dallas knows how to lead with flair.
